How's life?

There is more to life than the cold numbers of GDP and economic statistics – This Index allows you to compare well-being across countries, based on 11 topics the OECD has identified as essential, in the areas of material living conditions and quality of life.

Mapping well-being

How's Life? 2020

©Giulia Sagromola

The 2020 How's Life? report shows the latest data on well-being from an updated set of over 80 indicators for OECD countries and 4 partner countries. It looks at current well-being outcomes, inequalities, and resources for future well-being.
